# dreamoc™ XXL 3

Factsheet

V.1.4 - 2017

REALFICTION™

The Dreamoc XXL3 is a 4 sided holographic display, which lets you combine a physical product with 3D holographic content. The chamber can be seen from all 4 sides and is designed for open floor placement. The unit is delivered in transportcases and must be assembled at the place of installation.

FEATURES

- 4 sided viewing
- Easy change of content from top door
- Crystalline Optics™ - high-end and highly durable glass optics
- High ambient light tolerance

- Bright and sharp picture quality
- Integrated sound
- Packed in flightcases for repeated transport
- Easy to set up
